

**Re-admission Application to a Graduate Degree Program**

Please complete this form if you have not been enrolled as a graduate student for **ONE** Fall or Spring semester (excluding summer school) at The University of Mississippi. To reactivate your status, complete, sign and submit this form. If you have attended elsewhere during the interim, an official transcript is required. Your credentials must be re-circulated to the department for review when you have not attended for two or more semesters. This form and any additional official transcripts must be received in the Graduate School by the admission deadlines.

*\*Note: Use the regular application form if you have previously earned a graduate degree from UM and are applying for admission for another degree.*
