

Change Admission Status/Degree Program

The purpose of this communication is to recommend the student named below to have his/her admission status changed (e.g., from conditional to full standing) or have his or her degree program changed. The latter changes are permitted with this form, instead of a complete application, if the student has been enrolled during the past 12 months, if the student meets the admission requirements for the new program, and if the program is under the control of the same department. (Note that a department may require a new application for a program change.)
