Modification to item 3. It was noted that the course number CD 605 was already in use. At the recommendation of the School of Applied Sciences the course number was changed to CD 620.

Add: CD 620. ASSESSMENT AND TREATMENT OF DYSPHAGIA. Courses will include anatomy and physiology of swallowing, etiologies of dysphasia, and assessment and intervention techniques. Advanced study includes ethical and professional issues for pediatric and adult populations (3).
